Furlough

We will be in the states from around April 15th to Sept 28th. Contact me if you would like us to be in your services while in the states.

We were blessed with a wonderful Christmas season. We shared this blessed time with family and friends. We enjoyed our Christmas with our three grandsons, and of course, their mommy and daddy.

Our live Manger Scene program was presented in three different places this past Christmas season. We are praying that God will bring results in the future.

After the first of the year we worked on finishing up the last minute preparation for our youth camp which was the week of January 12-17. What a blessing to have electricity at the camp. The new freezer-refrigerator is nice. That means no more buying big, long bars of ice to keep the food cool. Thanks to all of you who had a part in our getting electricity and the refrigerator. Brother Glenn Blaylock from Helena, Montana came to Uruguay back in May. Brother Glenn went back home and raised a special offering which paid for nearly all the work at camp towards the electricity. What a blessing he was to us on his visit to Uruguay.

Our Son-in-Law, Steven, was the special speaker at camp. God used his teaching and preaching in a special way. We are praying the decisions made by the young people will be lasting decisions.

Our Senior citizens are growing in the Lord. Juan's health is going down hill. María continues to witness everyday. Their 81 year-old cousin, Ramona, comes with them to church. She made a profession of faith last Sunday and both Maria and Ramona want to be baptized. Ramona told Juan that they are not only cousins, but now they are brothers and sisters in Christ. If only we younger ones could witness like those Senior citizens.

Brother Caggiano will take the church in our absence. Brother Daniel Pais and his wife Monica will be in charge of the young people's class. Bro. Daniel has planned a youth conference for next week, March 5-7. We are looking forward to seeing how God is going to work in the lives of those who will surrender.

The work in Salinas is going strong. We have moved into our new building. Bro. Ulysses realized he had not been saved and he trusted Christ after his wife had prayed for him quite some time. We are thankful for his decision.

We have a short furlough planned for April 15 to September 28. We are looking forward to seeing some of you and personally sharing with you our ministry that you have had a part in by your faithful support.

God bless you, Jesse and Glenna Parnell

Maria and Juan came in contact with us through our Christmas caroling in 2004. We were going through the neighborhood singing and I gave them a tract. At our Christmas program in 2008, Maria came and passed out tracts to the people as they passed by our church.
